100 Mile Nordics set date for 50th anniversary celebration

100 Mile House, BC – The 100 Mile Nordics cross country ski club is planning a full weekend of activities in February 2027, to mark its half-century of operation in the South Cariboo. Planned events include an anniversary dinner and dance on Feb. 13, plus special events and activities at the day lodge and trails from Feb. 12 to 15.

100 Mile Nordics 50th anniversary weekend events

Feb 12 Lodge meet and greet and displays

Feb 13 Day: Events and skiing at 100 Nordics day lodge and trails (500 Ainsworth Road)
Eve: Dinner, dance and video retrospective at 100 Mile House Community Hall

Feb 14 Sweetheart Ski

Feb 15 Family Day Ski

“The Family Day weekend is a great fit for the anniversary celebrations,” says Karen Johnson, Nordics board member and event coordinator. “We are hoping it will make it possible for members who have moved away from 100 Mile to visit -- share memories, catch up with old friends, and give locals a great reason to come up and enjoy some affordable family fun.”

Ever wonder why 100 Mile House is home to the world’s tallest cross-country skis? Nordic skiing and 100 Mile House have a long association! The 1970s saw the growth of the Cariboo Marathon, a cross-country ski event drawing over a thousand participants annually at its peak. The Marathon loop remains part of the club’s 45km trail network to this day.

Today, the 100 Mile Nordics offer a 5km loop with trail lighting for night skiing, day lodge with rentals, day passes, food and drink. Thousands of Nordic skiers and snowshoer visits are recorded in an average season. The club also offers youth and school programs, hosts public events such as the annual Solstice Celebration and, new this year, the Terry Fox Run.

100 Mile has a long history of coming together to welcome skiers from around the province to our community & trails. We need the energy and enthusiasm of our community to bring this celebration to life. Contact Karen Johnson Puckett (info@100milenordics.com) to volunteer yours! There are so many ways to help.

Visit the club website (100milenordics.com) or Facebook page (@100MileNordics) for more info on the anniversary weekend as plans are finalized.
