2026 Teck Northern Cup Final is a Success in Vanderhoof

FOR IMMEDIATE RELEASE

February 14, 2026

Once again the Nechako Nordics of Vanderhoof hosted the Teck Northern Cup Series final event with 122 skiers completing their respective courses on some fast snow. Spring like conditions prevailed with temperatures at -2 C and blue skies and sunshine. Members from six northern ski clubs attended. They were from as far south as Quesnel, west as Smithers and north as Mackenzie, and all in between.

The free technique Interval Start event had U8's being cheered on by many enthusiastic spectators while U10's to Masters skiers navigated some technical courses. For some skiers this was a great tune up for Teck BC Cup Championships the following weekend. Afterwards skiers and spectators enjoyed a delicious lunch provided by the club and the local Four Rivers Co-op.

U8's ready to go!

Happy and having fun!
