Hours are as follows:

**BIB PICK-UP:** Bibs for each day of racing will be distributed from the Race Office upon opening of race office. Bibs will be distributed by team and we appreciate if each team sends 1 or 2 people to pick up bibs for each team.

**RELAY INFO:** The relay is a 4-person relay; 2 legs classic technique followed by two legs free technique. There are two categories: Male or Female. An 'official relay team' is comprised of 4 skiers from the same club or school and the same gender. Female skiers may not compete on official male relay teams. Likewise, male skiers may not compete on official female relay teams.

A relay team which has four skiers which are not from the same club or school can participate as an 'unofficial relay team'. An 'unofficial relay team' can be comprised of male and female athletes. Relay team participants will acquire participation points for their team; however, they will not be eligible for prizes or any points as a relay team.

The cost of registering for the relay is included in the overall event fee but we ask that coaches register teams on a separate free Z4 registration form.

[Relay Team registration link](#)

All relay teams must register their team's name and a list of team members by 6:00pm Friday, January 23<sup>rd</sup>. Any changes to teams, including order of skiers, must also be submitted by 6:00pm Friday Jan 23<sup>rd</sup>. Those not assigned to a relay team may be placed in Unofficial Teams afterwards.

**SPRINT INFO:** The sprint format used is the King's Court format. The purpose of this is to ensure that all participants race all four rounds; the time trial qualification followed by three rounds of heats. The top skiers in each heat move up within their category while the bottom skiers move down to ski against other top or bottom skiers in other heats. Heats may be comprised of up to six skiers, where the top three skiers would move up and the bottom three skiers moved down for the next series of heats.

The initial sprint heat start positions will be based on the earlier morning time trial finish times.

Overtaking of other skiers follows the same rules as in other events except in the marked "finish zone". The leading skier in the marked "finish zone" should stay inside their chosen lane while in this zone and the overtaking skier is required to change lanes without impeding any other skier.

*For safety reasons, it is recommended that all skiers wear protective eyewear when competing in sprint competitions.*
