FOR IMMEDIATE RELEASE

On January 17<sup>th</sup>, 2026, The Cariboo Ski Touring Club (CSTC) in Quesnel hosted athletes to compete in an Individual Sprint – Free Technique event. It was fun day full of fast skiing and exciting head-to-head competition.

The morning started off crisp and silent with freshly groomed trails. As the sun rose and athletes arrived, the anticipation of the elimination sprint races was felt among the athletes and volunteers.

Athletes from the Nechako Nordic Ski Club (Vanderhoof), Caledonia Nordic Ski Club) Prince George, Williams Lake Cross Country Ski Club, 100 Mile Nordic Ski Society (100 Mile House), Mackenzie Nordique Ski Club) and Strathcona Nordic Ski Club (Courtenay, Vancouver Island) skied various lengths of 200m, 500m and 700m to establish their place on the podium.

When the racing was completed, we had relieved volunteers and big smiles from tired athletes displaying their medals on the podium.

CSTC would like to thank all the athletes and their families who travelled to Quesnel to participate in this event. It is always great to see new and familiar faces.

CSTC is thankful for Teck who is the sponsor of this event, and all the volunteers who put in countless hours to make this event happen.
